7. Liza. She's got 14:57 tattooed on the insides of her eyelids. Can't think of a better way to shake up the ultra world than with a sub 15 hour rocky. Maybe that will help get at least ONE vote for **ultrarunner** of the year. Geez. **...**
Phoenix Ultrarunning Kids & Elders - http://ultrapuke.blogspot.com/ The Year of the Climb | Mormon Legal Stuff
par Bob Crockett
One month later with a group of friends including **ultra runner** brother Dave, I ascended Mt. Lovenia (13219) in the Unitahs. This was a relatively easier Class 3 or 2.5 ascent, but getting there took three days. **...**
Mormon Legal Stuff - http://randomrunner.wordpress.com/ Quick January Summary - Part Time **Ultra-Runner**
par Ian Gallagher
After a slow start January turned into my second highest month of mileage ever. Still only 356km but im heading in the right direction. Feeling good and injury free and I can feel my fitness returning. The heat is making quality **...**
Part Time Ultra-Runner - http://part-time-ultra-runner.blogspot.com/ the world of cherie: Why Do We Travel?
par cherie
I met a really interesting **ultrarunner** who wants to travel to every country in the world - a feat I

am definitely not interested in. (Hello, why would I want to visit Human Rights Abuse Extraordinaire China?) He also travels in a very **...**
